LEXINGTON POLICE DEPARTMENT 2015 FAN DONATION PROGRAM

(Lexington, South Carolina) As the warmest months of the year approach, the Lexington Police Department would like to remind everyone about their ongoing Fan Donation Program.

If you are in need of a fan to stay cool during the hot summer days, and are a citizen of the Town of Lexington, please come to the police department for assistance. The Lexington Police Department is typically able to provide new portable fans due to donations that are made through the year to this program.

We are also accepting donations of new fans for our program to assist in continuing to offer this service to those in need. The Lexington Police Department is asking for box style fans that are new and in original packaging.

In-kind donation forms are available for donations to this program and all others that are under our Adopt-A-Cop fund. The In-kind donation form includes a tax identification number for tax deduction purposes. Our Adopt-A-Cop program allows us to cover projects and give back to the community in ways that are not covered by our regular budget.

Community Action Team (C.A.T.) members are available to assist citizens who need to pick up or drop off fans Monday through Friday, from 9:00 am to 5:00 pm at the Lexington Police Department, located at 111 Maiden Lane. For additional information please contact Cpl. Cameron Mortenson at (803)358-1504 or the Lexington Police Department at (803)359-6260.
