Lexington Police to Host Houses of Worship Preparedness Webinar

Lexington, SC (June 29, 2015) – The Lexington Police Department is hosting a webinar conducted by The Department of Homeland Security Center for Faith-Based & Neighborhood Partnerships, a center of the White House Office of Faith-Based & Neighborhood Partnerships and the Federal Emergency Management Agency to help connect faith-based and community organizations with tools, resources, and partners to help prepare their houses of worship for all hazards, including active shooter incidents.

Chief Terrence Green would like for representatives from all faith based organizations to attend because "preperation is imperative in all hazardous situations in order to protect our citizenry".

The webinar will be shown on Wednesday July 1, 2015 from 2:00PM - 3:15PM in the Lexington Municipal Complex Conference Center. There will be a live Q&A session following the webinar with officers from Lexington Police Department.
