L.P.D. DESIGNATES INTERNET PURCHASE EXCHANGE LOCATION

Lexington, S.C. (February 11, 2016) – Chief Terrence Green is pleased to announce the designation of the Internet Purchase Exchange Location at the Town of Lexington Municipal Complex which is located at 111 Maiden Lane in Lexington, South Carolina.

The need for the Internet Purchase Exchange Location was highlighted recently by many followers of the Lexington Police Department Facebook page as other municipalities have created similar signed and video monitored areas to increase the safety of buyers and sellers when they meet.

The placement of the Internet Purchase Exchange Location was chosen since the front parking lot is easily accessible from Maiden Lane and there is an exterior video camera on the building which records that specific area of the parking lot 24 hours a day.

Chief Terrence Green says "The Internet Purchase Exchange Location is a good example of our department engaging with and taking suggestions from our social media followers and with many in the Town of Lexington community engaging in internet sales, it only makes sense to create a safe location for exchanges like these to take place."
