Stolen Automated Teller Machine

Lexington, SC (April 3, 2011, 3:40 pm) – On April 3, 2011 at approximately 5:13 am, officers of the Lexington Police Department responded to First National Bank of the South located at 5075 Sunset Boulevard for an Automated Teller Machine (ATM) alarm activation. Upon arrival officers discovered a forklift and that the ATM was missing from its foundation.

Further investigation revealed that the forklift had been stolen from the Northside Baptist Church construction site. Video surveillance from the bank shows the ATM being loaded by two unknown males into a silver in color Dodge Ram pickup truck. It is believed this same truck was stolen from Lauren Ridge Apartments prior to this incident. The truck is a Gray 2000 Dodge Ram 1500 Quad Cab with SC Tag#VT4645, black bedliner and has a rebel flag and USC sticker on the front bumper.

The investigation is ongoing and anyone with any information about this case is urged to contact the Lexington Police Department or Crimestoppers at 1-888-CRIMESC.
