## Mayor's Message by Steve MacDougall

As I enter my second year as Mayor, I am so excited to see the growth the Town has accomplished in the past year and am energized to see more projects come to fruition in 2015.

This year our project list includes the construction of the town amphitheater, located at the corner of E. Main St. and S. Church St., which is part of Project Ice House. This public space will provide another amazing venue to hosts events and be a key component in showcasing the arts to the community.

The Town will also launch Phase I of the Adaptive Computerized Signalization System, which will include 19 of the 35 traffic signal locations. The system will work to create a greenlight "tunnel" to improve traffic flow throughout town. Additionally, we look forward to seeing several more benefits including reduced travel time and fuel consumption.

You can learn more about our Adaptive Computerized Signalization System - Phase I and our Vision Plan at our website, [www.lexsc.com](http://www.lexsc.com).

Finally, with the Town's investment in the 25 MGD (million gallons/day) state-of-the-art joint treatment facility, we look forward to ceasing operations at our Coventry Woods Wastewater Treatment Facility. The goal for the construction of the facility was to eliminate the smaller facilities within the service area, allowing wastewater to be treated at a central location. The closing of Coventry Woods will make this goal a reality.

Join me on Monday, March 2, 2015 at 6:30pm at our Council Meeting as I deliver my State of the Town Address as we acknowledge all of our major accomplishments in 2014 and present our goals for this year. You may also watch the Address live on our TWC station or at [www.lexsc.com](http://www.lexsc.com).

## Lexington Community Band Seeking New Members

Do you, or someone you know, play a band instrument? Are you between the ages of 19-69? Can you read sheet music? Then you might be the newest member of the Lexington Community Band!

The first spring rehearsal will be held on Tuesday, March 31, 2015 from 7:30-9:00 pm. at River Bluff H.S.

For more information, please visit [www.lexcommband.com](http://www.lexcommband.com).

# Lexington Police Department Hosts 2015 Citizen's Academy

The Lexington Police Department is currently seeking applicants for their Citizen's Academy Program, which is held on Tuesday's from March 10-May 12, 2015.

The purpose of the program is to provide an opportunity for citizens to learn more about police operations and to build a stronger relationship between the community and the department.

Qualified applicants must be 18 years of age, a resident or business owner in the Town of Lexington and successfully submit to a background check (to be completed by the department).

Space is limited to 20 participants.

For more information or to request an application, contact Steffonie Cockerill, with the Community Action Team at (803) 358-1564.

# Lexington's Father-Daughter Dance

The Friends of the Lexington Main Library will host the Ninth Annual Lexington Father/Daughter Dance on Saturday, February 21, 2015 from 6:30pm to 9:30 pm in the Lexington High School Cafeteria.

Tickets are \$30 a couple and \$10 for each additional daughter and can be purchased at the Lexington Main Library (cash or check only). Tickets will increase to \$40 per couple after Tuesday, February 17th.

Proceeds benefit the children's reading area of the Lexington Main Library.

For more information, contact Marlena White, Associate Director, Friends of the Lexington Main Library, at (803) 261-8697.

## Are you a Home-Based Business?

Did you know that your home-based business must be licensed and meet certain zoning requirements?

Our staff in the Business and Development Services Center will be happy to walk you through the process, which includes:

*The Key to Success Starts Here..... Business & Development*  
Not displaying Signs or Goods outside of home

Abiding by the Noise and Light Ordinance

Not occupy more than 25% of home for business

For more information, contact our office at (803) 356-5938.
