## Mayor's Message by Steve MacDougall

The Town of Lexington is proud and honored to welcome the Lexington County Blowfish to the community.

The Lexington County Blowfish, Lexington County Recreation and Aging Commission and the entire community has worked tirelessly to kick-off the inaugural season at the new Lexington County Stadium.

We are excited to have visiting teams and fans explore all the beautiful amenities in Lexington, such as our local parks system. Whether you go fishing at Gibson Pond Park, enjoy a picnic at Virginia Hylton Park, take in the scenic nature at Fourteen Mile Creek Trail or climb the playground equipment at Corley St Park or Caractor Park, we have something for everyone.

The Lexington County Blowfish bring a wonderful delegation to the region and a positive impact on our community's economic development. We are excited for the Coastal Plain League to see why Lexington is the place to live, work, learn and play ball!

We look forward to watching the Blowfish flourish this season in the new stadium and hopefully bring home the CPL Petitt Cup!
