Mayor's Message by Steve MacDougall

I am excited to announce The Town of Lexington will once again be on the national stage for baseball! The Lexington County Recreation and Aging Commission will host The 2016 Big South Baseball Championship at Lexington County Stadium May 24 - 28, 2016. The tournament, which includes South Carolina Teams - Coastal Carolina University, Charleston Southern University, Presbyterian College and Winthrop University, will be played on national television, showcasing our community's state-of-the-art stadium.

Additionally, visitors will be able to enjoy our beautiful and historic quality of life amenities such as Lake Murray, Virginia Hylton Park and the Lexington County Museum. The Big South Conference brings a wonderful delegation to the Midlands Region and a positive impact on our community's economic development.

Council and I send best wishes to all the teams and encourage our residents to take in a game or two, as great way to kick-off the summer season. Hope to see you there!
