

111 Maiden Lane ~ Lexington, SC 29072 ~ www.lexsc.com

Mayor's Message by Steve MacDougall

In an effort to improve traffic flow throughout downtown, the Town of Lexington is in the process of converting SC 6 (North/South Lake Drive) and North/South Church Street into one-way street operation and upgrading the intersection of East Main Street (US 1) at Harmon Street and Martel Drive. The project will include: intersection alterations at South Lake and Maiden Lane, Church Street and Maiden Lane, and North Lake at Church Street and remarking and signing of the entire one-way pair roadway network.

An evaluation of existing traffic patterns and roadway configurations in the area, reveal that these proposed changes and upgrades would greatly enhance the mobility in the downtown area while preserving the existing streetscape and pedestrian friendly area of the 100 block of Main Street.

Currently the average daily traffic on Main Street (US 1) is approximately 17,000 vehicles per day and on South Lake Drive (SC 6) is 12,500 vehicles per day and along Church Street is 3,500 vehicles per day. By pairing the South Lake and Church Street corridors, the capacity of this direction is doubled. The additional capacity allows significant increase in the amount of green signal time that is allotted to the Main Street direction (40%). Furthermore, the left turn signal phase would be eliminated from South Lake Drive onto Main further increasing the green time available. Finally, the left turn prohibitions in the downtown area would be eliminated.

The project will also see improvements to sidewalks and drainage along with adaptive signalization and pedestrian safety enhancements.

**The Village
Market**

Each Saturday
Summer Hours (9am - 1pm)
Lexington Square Park

For more information, contact Chris Farley, Market Manager at (803) 479-6370 or visit www.ourvillagevibes.com.

Little Free Library

The Town of Lexington is proud to be a recipient of a “Little Free Library” as part of Lexington High School Student Erin Beadenbaugh’s community service project.

“My goal for this project is to promote literacy, encourage reading among those of all ages and demographics and instill a love of reading. I especially hope that the project will put books in the hands of children who might not have the opportunity to visit our local county library, and live by the motto ‘take a book, leave a book,’” says Beadenbaugh.

“We are so proud Erin selected Virginia Hylton Park as a Little Free Library location. She is a great steward to the community, providing an engaging outlet for readers to have access to books and promoting a healthy quality of life by encouraging readers to stay outside and take in fresh air,” says Mayor Steve MacDougall.

Erin is a rising senior at Lexington High School, serves as Band Drum Major (clarinet) and is a member of Model United Nations.

For more information on the project, contact Erin Beadenbaugh at ebedenbaugh1@gmail.com.

Town Council Schedule

Monday, August 15, 2016

Work Session Meeting at 6:00pm

Eli Mack Room

Regular Session Meeting at 6:30pm
Council Chambers

LPD Fan Donation Program

The Lexington Police Department would like to remind everyone about their annual Fan Donation Program.

If you are a Town of Lexington resident and are in need of a fan during the hot summer days, please contact the Police Department for assistance.

You may bring new (boxed) fans to be donated to community members in need.

Community Action Team (C.A.T.) members are available to assist citizens who need to pick up or drop off fans Monday - Friday, 9am - 5pm at Department Headquarters, located at 111 Maiden Lane.

For more information contact the Lexington Police Department at (803) 359-6260.

Pet Owner Reminders

**TRASH THE
POOP!**

The Town of Lexington would like to remind pet owners to keep all dogs leashed and the owner is responsible for “Trashing the Poop” (disposal of their dog waste).

For more information on how to obtain a pet waste station for your neighborhood, contact the Lexington Countywide Stormwater Consortium at (803) 785-8201 or visit www.LCSWC.com.
