## Mayor's Message by Steve MacDougall

I, along with the Lexington County Blowfish, am proud to present the 2018 Mayors Prayer Breakfast.

The event will take place Wednesday, October 31, 2018 from 7:30am - 9:00am at the Lexington County Baseball Stadium (474 Ball Park Road). Seating is Limited and tickets are \$10 each.

This year's keynote speaker is Adrian Despres, who served from 2000-2015 as Chaplain for the University of South Carolina's football team. Despres was a football player for Furman University and holds a Master of Divinity from Columbia International University.

By combining passion, intellect, and wit, he delivers challenging messages that inspire students and young adults to live life to the fullest.
