

111 Maiden Lane ~ Lexington, SC 29072 ~ www.lexsc.com

Mayor's Message by Steve MacDougall

Council and I are proud to announce the opening of The Market at Icehouse. The season started last month to a great crowd and renewed energy. This year's event includes an expanded array of vendors and live, local music every week.

The Market at Icehouse will run every Saturday until September 28 (excluding July 6) from 9am – 12pm at the Icehouse Amphitheater.

The Market at Icehouse is primarily intended as a farmer/grower and local artisan market that uses a community-friendly atmosphere to promote, support and encourage local production, while educating citizens on the benefits of eating local, fresh produce and supporting local artists and the Certified SC program.

Visit the Market at Icehouse Facebook page each week to see the list of vendors who will be in attendance.

We look forward to seeing you at The Market at Icehouse each week to shop local and encourage you to take time afterwards and explore the sights and sounds of Downtown Lexington. Whether you set a picnic at Lexington Square Park, spend the afternoon at Virginia Hylton Park with your family on the playground or taking the self-guided cell phone tour at the Lexington County Museum, there is something for everyone here in the Town of Lexington!

I wish you all a Happy and Safe Summer!

Lexington County Public Library Summer Reading Program

Blast off into a Universe of Stories and endless possibilities. The program launches Saturday, June 1, 2019. Summer Reading isn't just for kids, as adult participants are also entered to win weekly prizes at their local branch.

Summer Reading helps build literacy and language skills, prevents the dreaded summer slide for school-aged children and encourages teens and adults to once again experience the joy of reading.

For more information or to register for the program, visit www.lexcolibrary.com or stop by the Main Library located at 5440 Augusta Road.
