Mayor's Message by Steve MacDougall

This month the long-awaited opening of Gibson Pond Park will finally happen! Various departments within the Town of Lexington have worked long and hard to make this project come to life. The park features a new bridge with fishing piers, a new dock and new picnic shelters.

A reminder that our Lexington Live Fall Concert Series kicks off on Thursday, September 9 at 6:30 p.m. with The Root Doctors at Icehouse Amphitheater! Concerts are free and will be held each Thursday through October 7.

GIBSON POND PARK

Plan your next event at Gibson Pond Park, located at 241 Gibson Road in Lexington. Contact the Parks Department at 803-359-1027 to inquire about reserving a picnic shelter.
