By signing this application for water/sewer service, the applicant agrees to pay all costs of collection of the applicant's unpaid bills. The Town of Lexington has the right pursuant to the South Carolina Setoff Debt Collection Act to collect any sum due and owed by the applicant through offset of the applicant's state income tax refund. If the Town of Lexington chooses to pursue debts owed by the applicant through the Setoff Debt Collection Act, the applicant agrees to pay all fees and costs incurred through the setoff process, including fees charged by the Department of Revenue, the South Carolina Association of Counties, the Municipal Association of South Carolina, the Town of Lexington and applicable attorney's fee. If the Town of Lexington chooses to pursue debts in a manner other than setoff, the applicant agrees to pay the costs and fees, to include attorney's fees, associated with the selected manner as well.

Service outside of the corporate limits of the Town is provided contingent upon a valid annexation agreement being on file with the Town. Should a valid agreement at any time not be on file, the applicant acknowledges that the Town will require the execution of a valid agreement as a condition of continued service. Provision of service to a tenant does not void the requirement for a valid annexation agreement. The Town may take all legal means necessary to enforce the terms of a valid annexation agreement.
