Permit: _____

Mobile Food Vendor Zoning Permit

Business Info

Name of Person Applying: _____ Date: _____
Name of Business: _____ DBA if applicable: _____
Email: _____ Phone: _____
Business or Property Address: _____

Multiple units may locate upon a single parcel subject to the following: For lots up to 10,000 square feet, two units may be permitted at one time; For lots of 10,000 to 20,000 square feet, three units may be permitted at one time; and for lots greater than 20,000 square feet, a maximum of four units may be permitted at one time. (Exception for Town sponsored events, or other permitted special events)

Please read the following statements and **initial** each line:

_____ I understand that no mobile food vendor shall operate on a parcel which maintains a property line within 200 feet from any customer door of a lawfully established eating establishment that is actively open for business and serving customers with out written and provided permission from the eating establishment.

_____ I understand the mobile food units must not be located within two hundred feet of the principal public entrance to any PreK through Grade 12 educational facility unless approval from the school exists in writing and is provided upon request.

_____ I understand the operation of an unlicensed food truck on the permitted property is strictly prohibited and the Town of Lexington may revoke any mobile food vender zoning permit for violating this ordinance.

_____ I understand mobile food units must meet a fifteen-foot setback from the property line, and ten-foot clearance between units, and a ten-foot emergency access setback between the units and any buildings on site.

_____ I understand that Mobile Food Units must be located upon a parcel with no less than an improved dust-free surface and thirty-foot driveway throat length. Ingress, egress and internal circulation of vehicular traffic shall not create a hazard for traffic on an adjacent street or parcel. The mobile food unit must not be located within ten feet of an entrance way to any business open to the public.

_____ I understand that mobile food units may not occupy Handicap parking spots or overwhelm the parking requirement for the host business.

_____ I understand that Annual Mobile Food Vendor Permits Expire on April 30th each year.
